

RA08 Series

Multifunctional IAQ Sensors

Get everything you need in 1 device

Features

Settable Threshold Alarm

Set RA08 series a perfect threshold to fit every scenario

2.13-inch E-ink Display

Quick and effortless. Check data by just one peek.

Multifunctional Sensors

Satisfy all your needs. All kinds of sensors in 1 device.

RA08D

DC

Power

RA08B

Battery

Can be powered by DSC100

10 Sensors

O₃ | PM2.5 | CH₂O | NH₃+H₂S

TH | TVOC | Light | Pressure

PIR | CO₂

Sensor

7 Sensors

NH₃+H₂S

TH | TVOC | Light | Pressure

PIR | CO₂

Where to install an RA08?

Office

Keep the air fresh and clean

CO₂ Monitoring

RA08B01

RA08D02

PM2.5 detection

RA08D05

RA08D08

Home

Prevent air pollution in your new house

CH₂O detection

RA08D04

RA08D07

Toilet

Improve toilet quality /
Provide better experiences

NH₃ and H₂S Detection

RA08B03

RA08D09

RA08D10

Wastewater Treatment System

Detect gas leakage /
Ensure worker's safety

O₃ detection

RA08D03

RA08D06
